**LAST TIME OUT** | Minnesota United FC vs Jacksonville Armada FC | May 14, 2016 | NSC Stadium, Blaine, MN | NASL Spring Season

**Loons Blank Armada for 3rd Home Win**

Minnesota United continued its home winning streak with a 2-0 victory over the Jacksonville Armada. Minnesota got on the board early after suffocating the Armada with heavy offensive pressure. Kevin Venegas played a give and go off Christian Ramirez, allowing Venegas to get past several Armada defenders. Venegas cut inside and placed a curling shot into the top corner to take the lead. The Loons doubled their lead 12 minutes later thanks to a blocked cross that fell to Bernardo Añor. The midfielder played a ball across goal that deflected off a defender and came to the feet of Stefano Pinho who then scored his first United goal.

**UP NEXT** | Minnesota United FC vs Indy Eleven | May 21, 2016 | Michael A. Carroll Stadium, Indianapolis, IN | NASL Spring Season

**Minnesota Looks to Secure Hold on First**

Top of the table Minnesota United heads to face fifth placed Indy Eleven in a crucial match for supremacy in the Spring Season. Undefeated Indy sits just three points behind the Loons and are still legitimate contenders in the title race. The title is Minnesota's to lose at this point, with a game in hand on the top contenders, but a loss in Indy could blow the title race wide open. New coach Tim Hankinson has built a tough defensive team that knows how to steal points. The Loons have struggled at Indy in the past and this time will be no easier with Jon Busch, who put up a six save clean sheet last week, between the sticks for Indy.

## ABOUT INDY ELEVEN

Indy Eleven was launched by Keystone Group CEO Ersal Ozdemir on January 16, 2013, to play in the North American Soccer League, beginning with the 2014 season. Originally born under the Indy Pro Soccer moniker, the club officially adopted its Indy Eleven identity on April 25, 2013, during a ceremony held at the iconic Soldiers and Sailors Monument - 152 years to the day of the initial enlistment of the 11th Indiana Regiment during the Civil War.

The unique Indy Eleven identity reflects the club's fans' desire to have a name tied both to the culture of "the beautiful game" and the State of Indiana, with the name referencing the 11 players giving their all on the field of play in addition to paying homage to the 11th Regiment of Indiana Volunteers, which fought for the Union Army during the Civil War.

Indy had a rough season on the field in 2014, but lead the league with attendance, selling out 14 home matches. The club has continued to have success at the turnstiles, drawing some of the biggest crowds in the league. 2015 was another tough season for the Eleven, finishing 9th in the Combined Standings. After making some key acquisitions in the off season, Indy has made themselves into a real contender for the 2016 season.

## MNU VS IND QUICK FACTS

- Minnesota has scored first in every game this season. Christian Ramirez has scored the first goal in three matches.
- Indy Eleven's first home win in club history came at the expense of Minnesota United. After going winless in the 2014 Spring Season, Indy was able to find some success on the road, but a home win had eluded them until its second-to-last home match of the season. Indy dispatched United 2-0 and went on to win its home finale the following week as well.
- Minnesota has only played one Spring match in Indy, a 3-1 victory for the Loons last May.
- Kristian Nicht is the only Indy goalkeeper to ever record a win against Minnesota.
- Both Jon Busch and Sammy Ndjock have a 0.67 goals against average, tying them for third in the NASL. Jimmy Maurer and Diego Restrepo are tied for first at 0.50.
- Minnesota's win last week eliminated Miami FC from the Spring Championship title race.
- Three teams (Jacksonville Armada, Ottawa Fury, and Fort Lauderdale Strikers) are on the brink this week. If these teams lose and Carolina or Minnesota win, they will be out of the race as well. A win will preserve the Strikers and Fury regardless of outside results. Even with a win, the Armada could be mathematically out of the race with a RailHawks or United win.
- Minnesota United has not taken a penalty kick this season. By this point last year, the Loons had already converted two penalties.
- Four of Indy's six goals have come in the 77th minute or later.
- Both teams have an average age of 28 years old.
- Indy's win in the last meeting was one of the biggest losses for Minnesota last season, equaling the 3-1 loss to Carolina to open the Fall Season.
- Match official Mathieu Bordeau's last three assignments in the NASL have all been Minnesota United matches. He was the head referee for United's season opener against Carolina, the 2015 Championship Semifinal match in Ottawa, and Minnesota's 5-2 victory over Fort Lauderdale last September.
- United has scored five right-footed goals, four left-footed, one header, along with one own goal. Two goals have from been from outside the penalty area and nine within.
- Minnesota has won 47% of possession duels this season, while Indy has won 45% of its duels. Minnesota also has the advantage in aerial duels, with a win rate of 49% compared to 43%.

### ABOUT THE NORTH AMERICAN SOCCER LEAGUE

The North American Soccer League (NASL) is a professional soccer league with eleven teams in the United States and Canada. It is sanctioned by the United States Soccer Federation (U.S. Soccer) as the Division II league in the American league system. Its headquarters are in New York City. Named after the North American league of the 70's and 80's, The modern NASL was founded in 2009, and began play in 2011 following a 2010 season that saw NASL and USL teams play in a combined temporary Division II league.

The NASL uses a split-season schedule running from April to early November, with a four-week break in July. The spring and fall champions, along with the two teams with best combined records, meet in a four-team single elimination tournament known as The Championship. The winner of the final claims the Soccer Bowl at the end of the season.
