Loons Roll RailHawks 5-1

Minnesota United opened up its Fall Season with a dominant 5-1 win over the Carolina RailHawks at NSC Stadium. Christian Ramirez got the scoring started in the 20th minute with his first of three goals on the night. It was the first hat trick for Minnesota since 2013. Ramirez got two just four minutes apart and then assisted Stefano Pinho to cap off the first half. Tigao Calvano scored his first goal of the year just two minutes into the second half and Ramirez capped it off in the 75th. Carolina managed to sneak one in during the closing moments of the match, but it was too little too late for the visitors.

United Faces Spring Champions

Week two of the Fall takes Minnesota on the road to face the Spring Champion Indy Eleven. United will take on Indy in back-to-back matches, starting on Saturday night. The undefeated Eleven are fresh off their title run and opened its Fall campaign with a last minute draw to Puerto Rico FC. Minnesota started its Spring Season slide at Indy, and will be looking to not repeat the result this week. A lackluster record on turf has haunted United, and Indy's ability to score late could be a huge factor in the upcoming games. However, United is riding high after a five-goal performance last week and will try to keep the goals flowing.

ABOUT INDY ELEVEN

Indy Eleven was launched by Keystone Group CEO Ersal Ozdemir on January 16, 2013, to play in the North American Soccer League, beginning with the 2014 season. Originally born under the Indy Pro Soccer moniker, the club officially adopted its Indy Eleven identity on April 25, 2013, during a ceremony held at the iconic Soldiers and Sailors Monument - 152 years to the day of the initial enlistment of the 11th Indiana Regiment during the Civil War.

The unique Indy Eleven identity reflects the club's fans' desire to have a name tied both to the culture of "the beautiful game" and the State of Indiana, with the name referencing the 11 players giving their all on the field of play in addition to paying homage to the 11th Regiment of Indiana Volunteers, which fought for the Union Army during the Civil War.

Indy had a rough season on the field in 2014, but lead the league with attendance, selling out 14 home matches. The club has continued to have success at the turnstiles, drawing some of the biggest crowds in the league. 2015 was another tough season for the Eleven, finishing 9th in the Combined Standings. After making some key acquisitions in the off season, Indy has made themselves into a real contender for the 2016 season, and proving it by winning the Spring Championship

ABOUT THE NORTH AMERICAN SOCCER LEAGUE

The North American Soccer League (NASL) is a professional soccer league with eleven teams in the United States and Canada. It is sanctioned by the United States Soccer Federation (U.S. Soccer) as the Division II league in the American league system. Its headquarters are in New York City. Named after the North American league of the 70's and 80's, The modern NASL was founded in 2009, and began play in 2011 following a 2010 season that saw NASL and USL teams play in a combined temporary Division II league.

The NASL uses a split-season schedule running from April to early November, with a four-week break in July. The spring and fall champions, along with the two teams with best combined records, meet in a four-team single elimination tournament known as The Championship. The winner of the final claims the Soccer Bowl at the end of the season.
