# 1 Top Opta Facts

This will be the ninth meeting of the two teams since the start of the 2014 season. The series is currently tied at four wins each, although Indy has won the last three matches. All three of those games were in Indianapolis.

Minnesota has lost four out of its last six games and has not kept a clean sheet in any of those matches. Prior to that stretch, they had gone unbeaten in five (4W-1D) with four clean sheets.

Indy has not lost in 13 matches (6W-7D). This ties an NASL record. In those 13 games, they have only allowed nine goals, and only allowed multiple goals in one of the 13 matches.

Indy (18) and Minnesota United (17) are ranked second and third, respectively, in goals scored inside the box this season. Indy has only allowed five goals from inside the box in 2016.

Indy has scored eight goals in the last 15 minutes of matches this season. No other NASL team has more than five.

Minnesota has scored four times off corners so far this season, tied with Carolina for the most in the NASL in 2016.

Jon Busch is one of seven NASL players to have played 1,170 minutes so far this season, the most in the league.

Ben Speas is averaging 2.32 chances created per 90 minutes for Minnesota this season, the fifth most in the NASL amongst players with at least 200 minutes.

Indy's Duke Lacroix is averaging 2.17 dribbles completed per 90 minutes played, the fifth best in the NASL this season (min. 200 minutes played). Only six players in the league average more than 2.0 dribbles completed per 90.

Minnesota's Damion Lowe and Justin Davis are tied for fifth in the league with 28 tackles in 2016.

## 2 Opta Features

### A Second Chance

Minnesota United lost 1-0, to Spring Champions Indy Eleven last weekend. Due to the coincidences of the league schedule, they get another chance to face them this weekend. Minnesota will likely be grateful for a chance to play the same opponent as they did not represent themselves very well last game. They completed the fewest passes in the opposition half of any game in 2016:

Opponent	Date	Passes, Successful Opp Half
<b>Indy Eleven</b>	<b>10/07/16</b>	<b>92</b>
New York Cosmos	24/04/16	96
FC Edmonton	10/04/16	103
Carolina RailHawks	03/07/16	110
Jacksonville Armada FC	15/05/16	113

They were also shut out for the third time in their last five NASL games. Despite those three shutouts, they are still ranked second in the league in goals scored this season:

Team	Goals Per Game
New York Cosmos	1.77
<b>Minnesota United FC</b>	<b>1.75</b>
Indy Eleven	1.54
Carolina Railhawks	1.33
Puerto Rico FC	1.33

Indeed, Minnesota doesn't need to complete a lot of passes in the opposition half to be effective. They average 140.9 per game, which is seventh in the league. Instead, they are efficient finishers, leading the league in shot conversion:

Team	Shot Conversion Rate (inc. Blocks)
<b>Minnesota United FC</b>	<b>14.3%</b>
Puerto Rico FC	14.3%
Indy Eleven	12.5%
New York Cosmos	11.8%
Carolina RailHawks	11.3%

They will still want to do better than they did against Indy last weekend. They were missing outside back Jeb Brovsky, who also didn't start the other recent shutout loss (June 4<sup>th</sup> vs. Rayo OKC). Brovsky leads the team with 187 passes completed in the opposition half this year. Minnesota averages 2.0 goals per game when he starts. They will hope to have him for the rematch.

Brovsky Starts	Stat	Brovsky Doesn't Start
9	Games	3
2.0	Avg. Goals For	1.0
55.6%	Win Percent	33.3%
1.8	Points/Game	1.0

## Eamon in Form

Since May 20<sup>th</sup>, no NASL player has scored more goals than Eamon Zayed:

Player	Team	Goals
<b>Éamon Zayed</b>	<b>Indy Eleven</b>	<b>5</b>
Ramirez, Christian	Minnesota United FC	4
Hristov, Georgi	Tampa Bay Rowdies	4
<b>Braun, Justin</b>	<b>Indy Eleven</b>	<b>3</b>
Five Other Players	NASL	3

Zayed has certainly found a new level since May 20<sup>th</sup>. His numbers were respectable before that, but they are elite since (all numbers on a per 90 basis):

Player	Minutes Played	Goals	Shots On Target	Conversion	Chances Created
Zayed Pre May 20th	474	0.38	0.95	20.0%	0.38
Zayed Since May 20th	629	0.72	1.29	31.3%	0.72

It is interesting to see that Zayed basically doubled both his goals and chances created per 90 minutes played since May 20<sup>th</sup>. He only averages roughly 0.4 shots on target more since May 20<sup>th</sup>, but his conversion rate is 11.3 percent higher. Indeed, he has the fifth-best conversion rate of any NASL player with at least three goals in 2016 (20 total players):

Player	Team	Goals	Shot Conversion Rate (inc. Blocks)
Ramos, Héctor	Puerto Rico FC	3	42.9%
Hristov, Georgi	Tampa Bay Rowdies	5	41.7%
Moffat, Adam	New York Cosmos	4	33.3%
Stéfano Pinho	Minnesota United FC	4	28.6%
<b>Éamon Zayed</b>	<b>Indy Eleven</b>	<b>7</b>	<b>27.0%</b>

Only one player in the league has more goals in 2016 than the 32-year-old Libyan international. One reason for his success gathering momentum might be his developing partnership with fellow forward Justin Braun. The team is averaging 1.6 goals per 90 minutes played when both are on the field:

Zayed and Braun on Pitch	Stat	Zayed and/or Braun Missing
13	Games	0
1020:14	Minutes Played	225:00
1.6	Scored/90	0.8

The Spring Champions have begun the Fall Season like they intend to keep their title. They are certainly glad to have Zayed (and Braun) leading their line.
