THE REAL DEAL

The Miami FC is coming of a midweek match against Carolina. In what was a tense match, the Orange and Blue came out on top 1-0, extending its unbeaten streak to six.

The Miami FC controlled possession in the first half, creating a multitude of scoring opportunities. Just before halftime, Gabriel Farfán came up with a heroic clearance off the goal line to keep the score line 0-0 at the half.

Reigning Player of the Week Dario Cvitanich, came on in the 76th minute and instantly changed the match. Just a minute after coming on, Cvitanich pounced on a misplayed ball at the top of the Carolina box and curled in a beautiful shot to give the Orange and Blue the lead.

OFF TRACK

Indy Eleven fell short to the Strikers in a match that seemed lost from the start. After recording a 2-1 victory, the Strikers extended their run of unbeaten matches to six.

The Strikers opened the scoreboard in the 19th minute, Maicon Santos then notched the second goal of the match with a precise shot far post in the 67th minute.

The match would go on for 88 minutes, until Indy's Braun nodded home from 10 yards out. After a match with six cautions and a red card, the NASL Spring Champions lost at Central Broward Stadium.

MATCH NOTES

HISTORY REPEATS ITSELF

Last year's Soccer Bowl runners-up, Ottawa Fury FC, finished last in the spring season but came back with a vengeance in the fall.

The Miami FC are in the exact position, with a similar path to the Soccer Bowl lined up.

The Fury opened the season by winning six matches and drawing once, against some of the best teams in the league.

The Miami FC was off till a slower start winning three, losing two and drawing twice. After a tough loss to the Strikers, the Orange and Blue hit their stride and are now unbeaten in the last six matches.

The squad has picked up four wins and two draws on this current streak. The Miami FC has kept four clean sheets during the streak, including three shutouts in the last three matches.

The defense has been key to the Miami FC's climb up the Fall Season table, but the offense has also been on point. The Orange and Blue has netted nine goals in the last six matches, with six different players finding the back of the net.

The Miami FC sits just five points behind, current Fall Season leaders, the NY Cosmos with match in hand. With just nine matches left and a late season clash with New York still on the schedule, the Orange and Blue are in prime position to take the Fall Season Championship.

LEADING THE SERIES

Indy Eleven have hit a rough patch recently, while the Miami FC is hitting its stride. Indy Eleven is winless in the last five matches and the Miami FC are unbeaten in the last six.

The Orange and Blue and Indy Eleven have battled it twice this season, with the Miami FC remaining unbeaten in this series.

The two sides first met late in the Spring Season, when Indy was in the midst of a championship run. The Miami FC made those aspirations a little bit harder with a great defensive performance, in a match that would end in 0-0, the squad's third-consecutive shutout.

Then, in their Fall Season matchup, the Miami FC took three points from the spring season champions with a 2-1 win on goals from Dario Cvitanich and Ariel Martinez.

The Miami FC is ahead of Indy Eleven by four points in the standings and holds a match in hand.

MIAMI FC PLAYERS TO WATCH

Dario Cvitanich: Cvitanich has been key to the Miami FC's rise in the fall. The veteran has scored six goals during the Fall Season, and is currently on a three-match scoring streak.

The Orange and Blue is 4-1-1 when Cvitanich has found the back of the net in the fall and are 4-0 in the last four matches that he has scored.

Cvitanich has been one of the league's top goal scorers all season, currently ranked fourth with nine goals.

He has not only been dangerous when shooting, but also when passing the ball. Cvitanich has registered four assists this season, making him one of only three players in the NASL to be ranked in the top 10 for goals and assists.

Mason Trafford: Trafford has not only been a staple in the Miami FC's vastly improved defense, but also a key cog in the Orange and Blue's offensive machine.

With Trafford in the backline, the Miami FC sports the second stingiest defense in the NASL for the Fall Season.

Trafford's solid marking and consistent tackling has seen the Orange and Blue allow just 12 goals in 13 matches and record six shutouts.

The Miami FC's offense is predicated on building from the back and quick counter attacking, which puts a premium on a defender's ability to pass the ball. Trafford fits this role perfectly and has flourished.

The center back has made a total of 1134 passes this season, the second most in the NASL, and is completing them at an incredible rate of 90%.

NEWS

#GoGold

September is Childhood Cancer Awareness month and NASL teams are encouraging their communities to take action and support the GoGold Campaign.

Fans can visit our Crowd Rise page to donate now. All proceeds will go directly to the Pediatric Cancer Society.

The Miami FC will join this effort as it plays Puerto Rico FC on Friday, Sept. 23 at 8 p.m. in a game that will benefit the American Cancer Society and its pediatric cancer research program.

There will be special giveaways all night, including commemorative Fan Fans to show support for the cause. Fans will also be able to make donations to the American Cancer Society on the North Concourse.

UP NEXT

The Miami FC returns to FIU Stadium for a two-match home stand. First up is a Friday matchup with Puerto Rico FC followed by a midweek clash with Ottawa Fury FC.

Much like the Orange and Blue, Puerto Rico FC is struggling in its NASL debut. Puerto Rico currently sits at the bottom of the table, with a loss to Miami FC their record.

The Miami FC's first trip to Puerto Rico was a successful one. The squad would dominate the match wire-to-wire, winning out 3-0.

On the flip side, the Orange and Blue have struggled against Ottawa. The Miami FC has made the trip across the border twice, leaving with a loss and a draw.

With home field advantage and a great run of form, the Miami FC will look to pick up the first victory in the series.
