MATCH NOTES

STRIKERS NOTES

LAST MEETING The Strikers lost 3-0 in Indianapolis on July 13 in a match that kicked off almost three hours late due to inclement weather.

HOMESTAND The Strikers will finish their four-game homestand this Saturday, hosting the Spring Champions Indy Eleven. Starting with the victory over Ottawa, the Red and Gold continued the homestand with scoreless draws vs Minnesota and New York.

THAT'S AMAURI! On August 9, the Strikers signed former Italian international Amauri, who is best known for his time with Juventus, Parma, Napoli and Torino. The Italian international brings a wealth of experience to the club and one of the best resumes of any player in the NASL Modern Era. Amauri came on the 76th minute against Miami FC and scored on his Fort Lauderdale debut. A week later he struck twice including a bicycle kick that made Sportscenter's Top 10 plays of the day in a 3-1 win over Ottawa. Again Minnesota on Wednesday night, Amauri went 90 minutes helping to create several opportunities for Fort Lauderdale in the 0-0 draw.

OUTSTANDING FORM FROM BRUNO The Brazilian Goalkeeper has started the last seven Strikers games recording a record of 3-2-1 over the period. Bruno had to come up with big saves against Jacksonville on August 17 to preserve a 1-1 draw and saved a penalty with the score tied 1-1 on August 20 against Ottawa. Fort Lauderdale went on to win that match 3-1. Bruno made three saves and kept a clean sheet against Minnesota on August 31. Bruno made eight saves and Since being reinserted into the starting XI, Bruno has conceded just four times in the seven game stretch he has started for a whopping 0.58 Goals against average (GAA).

MANNY GONZALEZ CLIMBS ALL-TIME STRIKERS LIST Local Broward County product Manny Gonzalez has climbed the all-time Strikers appearance list this season and now sits eighth on the modern Fort Lauderdale list. Gonzalez's 61 appearances put him within striking distance of reaching the top five all-time during this NASL season.

CORRALES BECOMES A CORE PLAYER Jorge Luis Corrales, who signed with the team on July 14th, and has started every game since in the left back position and has worked well with Gale Agbossoumonde, Dalton and Julius James supporting him. He continues to show strong discipline and ability to help stimulate the attack moving forward on the left side with overlapping runs.

CENTRAL BROWARD STADIUM The Strikers opened Central Broward Stadium on August 20 with a 3-1 win over Ottawa and followed that up with a 0-0 draw against Minnesota on August 31. The Strikers followed that up with a 0-0 draw versus New York on September 3. This game against Indy will be the final match in a four game homestand to open the facility as the Strikers new home. The stadium which features modern seating areas with a full roof to protect fans from the sun and rain. The roof and intimate setting was on display in the August 20 match as a unique atmosphere helped propel the Strikers to victory. The New York match will be Fort Lauderdale's third in a four game homestand to open the new home venue. The facility has a history in soccer having previously hosted MLS Combine in the past along with the FC Barcelona Soccer School.
