1 Top Opta Facts

New York and Indy have met nine times in NASL regular season action in the past three years. All six matches in 2014 and 2015 were draws, while this year saw the home team take all three games (two for Indy and one for the Cosmos). The two teams played twice in the fall season, with the home winning 3-0 each time.

Counting their 2-1 win over Rayo OKC last week, the Cosmos have won four consecutive matches and are unbeaten in their last seven games (one draw). They have only conceded four goals on that run, and have four clean sheets in the seven games.

Indy's 1-0 win over FC Edmonton in the Semi-Finals means that they have only lost once in their last six NASL matches. They have kept four clean sheets on that run. They have lost four of their last six away games (1W-1D) and conceded multiple goals in five of those six matches.

Ayoze had 235 touches against Indy 11 this year for the Cosmos. Their next closest player (Juan Arango) had 154 touches.

The Cosmos scored the most goals (59) of any team in the NASL Fall Season, and conceded the second fewest (29).

Indy scored the most goals from inside the box (40) and conceded the fourth fewest goals (33) of any NASL team in the fall season.

Dylan Mares created five chances for Indy in their three games against the Cosmos this year, the most of any player on either team in the series.

The Cosmos (15) and Indy (11) have the second and third most shutouts of any NASL teams over the course of 2016.

The Cosmos (125) and Indy (110) were first and third, respectively, in the Fall Season for shots on target.

The Cosmos committed 314 fouls in the Fall Season, the most of any NASL team. Indy committed 271 fouls, the fourth lowest of any team in the Fall Season.

2 Opta Features

The Cosmos Are Here

The New York Cosmos enter the NASL Championship Final with a clear team identity, based around ball possession. They are the only NASL team that averaged more than 55% of the ball throughout 2016:

| Team | Possession |
|------------------------|--------------|
| New York Cosmos | 57.0% |
| Miami FC | 53.7% |
| Carolina RailHawks | 53.5% |
| Tampa Bay Rowdies | 53.3% |
| Jacksonville Armada FC | 51.3% |

Unsurprisingly, this means that as a team the Cosmos have completed the second most passes in the opposition half of any NASL team (on a per-game average):

| Team | Opposition Half Passes Completed Per Game |
|------------------------|---|
| Tampa Bay Rowdies | 193.3 |
| New York Cosmos | 176.0 |
| Carolina RailHawks | 175.9 |
| Miami FC | 159.9 |
| Ottawa Fury FC | 154.5 |

This means that the ball spends a decent amount of time near the opposition goal. The Cosmos have had a diverse array of players on the ball in the opposition box:

| Player | Touches in the Opp Box |
|----------------------|------------------------|
| Arrieta, Jairo | 54 |
| Lucky Mkosana | 54 |
| Arango, Juan | 51 |
| Guenzatti, Sebastián | 43 |
| Flores, Andres | 41 |

Indeed, New York is one of three teams in the league that have five players with at least 40 touches in the opposition box this year:

| Team | Number of Players with 40+ Touches In Opposition Box |
|-----------------|--|
| Carolina | 5 |
| New York | 5 |
| Tampa Bay | 5 |
| Indy | 3 |
| Jacksonville | 3 |

Dominance of the ball and a deep, diverse attack have been keys to the Cosmos success all year. We will see if it carries them over the top on Sunday.

Eamon The Hero

Indy's Eamon Zayed was third in the league in goals in 2016 (counting the Championship):

| Player | Team | Goals |
|--------------------|---------------------|-----------|
| Ramirez, Christian | Minnesota United FC | 18 |
| Arango, Juan | New York Cosmos | 16 |
| Éamon Zayed | Indy Eleven | 15 |
| Michel | Rayo OKC | 14 |
| Hristov, Georgi | Tampa Bay Rowdies | 11 |

He was one of only four players to get at least 30 shots on target during the regular season:

| Player | Team | Shots, on Target |
|--------------------|------------------------|------------------|
| Ramirez, Christian | Minnesota United FC | 43 |
| Arango, Juan | New York Cosmos | 38 |
| Éamon Zayed | Indy Eleven | 37 |
| Cole, Joe | Tampa Bay Rowdies | 30 |
| Eloundou, Charles | Jacksonville Armada FC | 27 |

Indeed, he was one of only eight players to score five goals this year and have a conversion rate of over 20%, showing that it wasn't just volume of shots, but also good accuracy:

| Player | Team | Goals | Shot Conversion Rate (inc. Blocks) |
|--------------------|--------------------------|-----------|------------------------------------|
| Michel | Rayo OKC | 14 | 26.9% |
| Poku, Kwadwo | Miami FC | 6 | 25.0% |
| Mauro | Fort Lauderdale Strikers | 5 | 25.0% |
| Cvitanich, Dario | Miami FC | 9 | 23.7% |
| Hristov, Georgi | Tampa Bay Rowdies | 11 | 23.4% |
| Ramirez, Christian | Minnesota United FC | 18 | 21.4% |
| Éamon Zayed | Indy Eleven | 15 | 21.1% |
| Moffat, Adam | New York Cosmos | 8 | 20.5% |

Zayed is also one of six Indy Eleven players to create more than 20 chances this year. If the Cosmos are hoping to stop him, they will also have to be aware of his creative abilities:

| Player | Chances Created (inc. assists) |
|--------------------|--------------------------------|
| Vukovic, Nemanja | 39 |
| Mares, Dylan | 39 |
| Smart, Don | 29 |
| Paterson, Nicki | 28 |
| Braun, Justin | 26 |
| Éamon Zayed | 23 |

He is clearly one of the elite attacking talents in the NASL. We will see if he can help fire Indy Eleven to the Championship on Sunday.

KEY:

SW/SD/SL = games since win/since draw/since loss
 HW/HL = games since home win/home loss
 AW/AL = games since away win/away loss
 0-0 = games since a goalless draw
 CS = games since a clean sheet
 NG = games since failed to score
