1 Top Opta Facts

The two teams have met nine times in NASL regular season action since 2014. Indy's record against FC Edmonton in these fixtures is 3W-4L-2D. They have lost three of the last five matches against FC Edmonton (1W-1D), dating back to August 2015. Each team won once and there was one draw in their three matches this year.

Indy's 1-2 loss to Rayo OKC on the last day of the Fall Season snapped a three-game winning streak. They have not lost in 18 home NASL games (15W-3D). They have kept four clean sheets in their last seven home games, and only allowed three goals on that stretch (6W-1D). They have not allowed a single first half goal in their last eight NASL matches.

FC Edmonton has lost three of their last four NASL matches (1W) with all three losses coming on the road. They have lost four of their last seven NASL matches (4L-3D) with only three goals scored across those seven away games. They have been tied at halftime in three consecutive games.

Indy scored four goals from corner kicks over the duration of the Fall Season, the most of any NASL team.

Justin Braun had seven headed shots on target over the course of the Fall Season, the most of any NASL player.

FC Edmonton only scored three first half goals during the Fall Season, the lowest total of any NASL team. Indy scored 19 first half goals, the most of any NASL team in the Fall Season.

FC Edmonton conceded 13 goals from open play during the Fall Season, the lowest total of any NASL team. Indy conceded 14 goals from open play during the Fall Season, the second-lowest total.

Albert Watson had 55 interceptions in the Fall Season, tied for the fourth-highest total of any NASL player. In the 27 games he has started this year, FC Edmonton average 1.9 points per game. In the five games he did not start, that number falls down to 0.6 points per game.

Matt VanOekel made 71 saves in the Fall Season, the second-highest number of saves made by any NASL player.

FC Edmonton averaged 14.7 touches in the opposition box per game in the Fall Season, the fifth-lowest total of any NASL team. Indy averaged 17.6 touches in the opposition box per game in the Fall Season, the fourth-highest average of any NASL team.

2 Opta Features

Super Eleven

Eamon Zayed finished third in the NASL in goals plus assists during the Fall Season:

Player	Team	Goals Plus Assists
Ramirez, Christian	Minnesota United FC	15
Arango, Juan	New York Cosmos	15
Éamon Zayed	Indy Eleven	14
Cole, Joe	Tampa Bay Rowdies	12
Hristov, Georgi	Tampa Bay Rowdies	12
Ramos, Héctor	Puerto Rico FC	12

And Zayed is just one part of an impressive attack. Indy's conversion rate (including blocks) was the second-highest of any NASL team this year:

Team	Shot Conversion Rate (inc. Blocks)
New York Cosmos	13.0%
Indy Eleven	12.7%
Miami FC	11.9%
Rayo OKC	11.6%
Minnesota United FC	10.8%

Indeed, Indy has had five different players hit at least 10 shots on target this year:

Player	Shots, on Target
Éamon Zayed	37
Braun, Justin	21
Mares, Dylan	17
Vukovic, Nemanja	13
Gordon, Omar	11

Perhaps Indy's high conversion rate and number of players putting shots on target has something to do with the fact that they were one of only four NASL teams to have created at least 30 "big chances" in 2016:

Team	Big Chance Created
Miami FC	42
New York Cosmos	41
Minnesota United FC	38
Indy Eleven	33
Carolina RailHawks	27

Indy's offense is probably second only to the Cosmos in 2016. They will need their attackers to be sharp in the Semi Finals.

At Both Ends

FC Edmonton enters The Championship as the team that conceded the fewest amount of goals per game in 2016:

Team	Goals Conceded Per Game
FC Edmonton	0.66
New York Cosmos	0.91
Indy Eleven	1.03
Rayo OKC	1.03
Minnesota United FC	1.16

FC Edmonton also finished the regular season as the team with the lowest goals per game average:

Team	Goals Scored Per Game
FC Edmonton	0.78
Puerto Rico FC	0.86
Jacksonville Armada FC	0.94
Fort Lauderdale Strikers	0.97
Ottawa Fury FC	1.00

FC Edmonton only has two players who have scored more than three goals this year, and only four players to hit at least 10 shots on target:

Player	Shots, on Target	Goals
Fordyce, Daryl	19	7
Ameobi, Tomi	17	2
Keegan, Jake	14	5
Corea, Dustin	11	0
Fisk, Ben	8	2

Regardless of their ability to generate offense, FC Edmonton is certainly tough to play against, as evidenced by the fact that they concede the third-most fouls per game of any NASL team:

Team	Fouls Conceded Per Game
Tampa Bay Rowdies	14.0
Fort Lauderdale Strikers	13.9
FC Edmonton	13.8
New York Cosmos	13.8
Miami FC	13.6

Whoever knocks FC Edmonton out of The Championship will have to earn it.
