## CAMPS

Armada FC Soccer Camps are to allow the community and brand to connect. Armada FC are able to offer their expertise to local boys and girls in the community. Either at, a high end elite camp or a recreational grass roots level. Recreation level will be taught through "camouflage learning", teaching skills to enable players to connect with the sport. I.e. passing and dribbling but acting like pirates.

Elite camps run by the day today professional Academy coaches and First Team coaching staff through a comprehensive developmental curriculum.
