

Fury FC Host New York Cosmos in July 20 Home Opener at TD Place
All-Canadian Match-Up Set for Fall Season Opener July 13

- For Immediate Release -

Thursday, January 16, 2014 (Ottawa, ON) – Ottawa Fury FC will make their TD Place debut on July 20 when they host the 2013 NASL Soccer Bowl Champions – the New York Cosmos – in their Fall Season home opener. Fury FC begin their Fall Season on the road a week earlier with an All-Canadian match-up against Edmonton in the wake of the FIFA World Cup. Those games and the full NASL Fall Season schedule were announced by the League earlier today.

“What better match for our fans on opening day at TD Place than to host the New York Cosmos,” said Fury FC President John Pugh. “The Cosmos are the most storied franchise in North American soccer history as the past home of internationally revered stars such as Pelé, Giorgio Chinaglia, Carlos Alberto and Franz Beckenbauer. Their legendary star power is reflected in their current roster with former Spanish International Marcos Senna who featured in the 2006 FIFA World Cup and captured the European Championship in 2008.”

“The 16-game Fall Season will be a true test of ability, character and roster depth for all of the teams,” said Fury FC Head Coach Marc Dos Santos. “The 9-game Spring Season should produce some exciting rivalries for the Fall Season. This, coupled with playing in our new home will make for an exciting atmosphere at TD Place.”

“We believe there will be a great momentum and interest in soccer across North America when our Fall Season kicks off following the FIFA World Cup,” said NASL Commissioner Bill Peterson. “We aim to capitalize on that excitement as our clubs keep the action flowing and NASL fans will have the added bonus of several games to peak their interest during the work week.”

The home schedule dates of Ottawa Fury FC are still to be confirmed and fans are reminded that all game dates and kickoff times are subject to change.
